

## A Note from Our Co-Chairs

Across the country, Americans are looking for leadership that rises above partisanship and delivers real results. That's exactly what the Problem Solvers Caucus is doing. We're working on bipartisan solutions to secure our border and modernize our immigration system, tackle our growing national debt, streamline our permitting process, and make government more accountable and efficient. These are the kinds of issues that demand bipartisan solutions — and we're committed to getting to YES.

— Reps. Brian Fitzpatrick and Tom Suozzi

## Problem Solver-Led Bipartisan Wins

---

### TAKE IT DOWN Act

*Led by: Reps. María Salazar and Debbie Dingell*

Protects victims of real and deepfake revenge pornography by criminalizing the publication of such images and requiring swift removal by websites. Responds to the growing threat AI poses to privacy and safety, especially for women and girls.

### Simplifying Forms for Veterans Claims Act

*Led by: Reps. Rob Bresnahan, Don Davis, Jimmy Panetta, David Valadao, and Josh Harder*  
Simplifies VA claims paperwork for veterans and survivors. Removes bureaucratic hurdles to ensure access to the benefits that they have earned.

### Benefits that Endure for Lifetimes of Service (BELO'S) Act

*Led by: Reps. Gabe Evans and Jimmy Panetta*

Provides free National Park lifetime passes to the families of veterans who passed away from a service-related illness or accident.

### Improving VA Training for Military Sexual Trauma Claims Act

*Led by: Reps. Young Kim, Don Bacon, and Chrissy Houlahan*

Requires annual training and stronger oversight for VA staff assisting with military sexual trauma claims. Seeks to prevent a recurrence of trauma to ensure veterans receive fair, informed support during the medical disability examination process.

Romance Scam Prevention Act

Led by: Reps. David Valadao, Brittany Pettersen, Tom Suozzi

Requires dating apps to notify users if they have interacted with someone removed for fraud. Protects users from financial exploitation and online abuse.

Fire Safe Electrical Corridors Act

Led by: Reps. Salud Carbajal, David Valadao, Jim Costa, and Brian Fitzpatrick

Streamlines the removal of hazardous vegetation near power lines to reduce wildfire risk. Cuts red tape to protect communities.

HALOS Act

Led by: Reps. Mike Lawler and Josh Gottheimer

Clarifies that startups can present ideas at demo events without triggering securities violations. Defines angel investors and removes barriers to early-stage capital.
